ONLINE ACCEPTABLE USE AGREEMENT

This agreement will help keep me safe and help me to be fair to others

- **I am an online digital learner** – I use the school's internet and devices for school work, homework and other activities to learn and have fun. I only use sites, games and apps that my trusted adults say I can.

- **I am a secure online learner** – I keep my passwords to myself, reset them if anyone finds them out and log out after sessions.

- **I am careful online** – I think before I click and don't click on links I don't expect to see. I only download or install things when I know it is safe or has been agreed by trusted adults.

- **I know new friends may not always be who they say** – Unless I have met them face to face, I can't be sure who they are. If I want to meet them I will ask a trusted adult, and never go alone without telling an adult.

- **I am private online** – I only give out private information if a trusted adult says it's okay. This might be my home address, phone number or other personal information that could be used to identify me or my family and friends.

- **I keep my body to myself online** – I never change what I wear in front of a camera and remember that my body is mine and mine only, and I don't send any photos without checking with a trusted adult.

- **I say no online if I need to** – If I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.

- **I am a rule-follower online** – I know that some websites and social networks have age restrictions and I respect this; I only visit sites, games and apps that my trusted adults have agreed to.

- **I am considerate online** – I do not post, make or share unkind, hurtful or rude messages/ comments and tell my trusted adults if I see these.

- **I am part of a community** – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult.

- **I am responsible online** – I keep others safe by talking to my trusted adults if a friend or person I know is being bullied or harassed or is worried or upset by things they read, watch or hear.

- **I don't do public live streams on my own** – and I only go on a video chat if my trusted adult knows I am doing it and who with.

- I **ask for help if I am scared or worried** – I will talk to a trusted adult if anything upsets or worries me on an app, site or game - it often helps. If I get a funny feeling

- I **know it's not my fault if I see or someone sends me something bad** – I don't need to worry about getting into trouble, but I mustn't share it. Instead, I will tell someone.

- I **tell my parents / carers what I do online** – they might not know the app, site or game, but they can still help me when things go wrong, and they want to know what I am doing.
